Vaulting Forward

July 23, 2015

CONSTRUCTION ACTIVITIES

This week Strider began placing utility vaults to carry OPALCO's power line and fiber optic cable as well as CenturyLink's telecommunication line. They also placed topsoil on the left slope near the beginning of the project.

Next week, they will begin installing the culverts as well as finishing the utility trenches and vaults.

Construction Zone speed limit is 20 mph. Please drive carefully.

The water truck will be working this weekend - Please drive carefully.
